

Florida Water StarSM Residential, Landscape Affidavit

The Landscape Affidavit (Affidavit) is required for determining the Florida Water StarSM Silver or Gold rating of new or existing single-family residential homes. The Affidavit shall be attested to by the project's contracted landscaping company and is required to be submitted by a qualified Florida Water StarSM inspector with Florida Water StarSM certification submissions.

The Affidavit may be submitted for one single-family home or for multiple residential homes in one subdivision. If a builder is constructing multiple homes within one development, one Affidavit is required from each landscape contractor responsible for the landscape installation of all homes listed on the Affidavit. **If multiple addresses are covered by the Affidavit, list all the addresses on attached sheets as necessary.** Refer to the Florida Water StarSM Technical Manual for additional information.

Landscape				
All plants will be installed according to the Florida Friendly Best Management Practices (FFBMPs) for Protection of Water Resources by the Green Industries. The landscape installer must attest to this in an affidavit.		Yes	No	NA
1	Organic mulch will be used and applied to a depth of 2 to 4 inches, leaving a 2-inch space around the base of plant.			
2	A site evaluation will be conducted.			
3	Right plant, right place — plants will be selected with attributes specific to site conditions.			
4	The soil will be prepared correctly as per FFBMPs before planting to ensure establishment.			
5	If compacted, soil will be tilled.			
6	LP 6 (if selected), organic soil amendments have been added into the top 8 inches of soil.			
7	When planting trees and shrubs, each root ball will be inspected, and all soil removed from above the topmost root.			
8	When planting trees and shrubs, each planting hole will be prepared correctly.			

I hereby attest that all the above items will be completed by the undersigned or under the supervision of the undersigned person:
